Dear Applicant,

Thank you for your interest in the P.A. L. S. Program for 2008. The P.A.L.S. are very valuable to our summer camp program. Thankfully there are people like you that are willing and even eager to serve.

P.A.L.S. is a chance for kids like you to spend two weeks at camp for no charge. There will be a group (approximately 8 or 9) of PARTNERS who will be ACTIVELY taking part in recreation and sports, as they are LEARNING through Bible Study while SERVING the camp in a number of ways. Home base will be the Covenant Center. Each day the P.A.L.S. will meet as a group along with the P.A.L.S. coordinator for an hour or two of structured time in the Covenant Center Lounge. A part of the day will be spent working as aides performing kitchen, housekeeping and maintenance chores. There will be free time left over for swimming, water skiing, volleyball, letter writing, etc.

The P.A.L.S. are a group that grows and serves together. They are not counseling staff, but do serve a role essential for the smooth running of some major camp functions – like dishes. If you are chosen to be in P.A.L.S. this year, you will receive a P.A.L.S. shirt, room and board and program (study and recreation) as compensation.

Please fill out the enclosed application form immediately. WE DO GIVE PRIORITY to P.A.L.S. in the order that applications arrive in our office. **You must have completed one (1) year of High School to apply.**

If you should have any questions, regarding P.A.L.S., please call.

Sincerely,

Sherm and Mary Toufar
Directors
