

LUTHER PARK BYTES: An e-newsletter with news that MUST get out.

SENIOR HIGH RECHARGE! March 14-15

Registrations have been slowly rolling in for the March Recharge, yet there is still plenty of room for your High School youth to attend the single most exciting event in all of March – arguably better than spring break! You can even register online – www.lutherpark.org!

RECRUITING: High Time

Be looking for appearances by the one and only, Mary Toufar. She is in select cities next week, including: UW Stout (Tuesday), UW Eau Claire (Wednesday), and UW River Falls (Thursday).

Mary has spent her week touring the Midwest, visiting: St. John, Eau Claire; Concordia, Moorhead; Wartburg; Luther; Luther Seminary; and Augsburg, Minneapolis.

Who will you be sending her way?

GRANDkids Camp: June 29- July 2

Can you think of the last time you spent quality one-on-one time with your grandkids (or your grandparents)? This half week program will provide the opportunity for you to take time away from the world and all its stresses to just be, to enjoy, and to get to know each other on another level. What a great opportunity for Grandparents to feel like a kid again!

Even though this week is promoted as a GRANDkids camp it is also open to traditional families.

VBS DAY CAMP: Is your church signed up?

Yep, there is still room to bring Luther Park to your church! Luther Park counselors will come to you! They will lead the VBS day camp - bringing with them a full team, complete Bible Study, t-shirts, games, crafts, skits, songs and more! Please call (715-859-2215), speak with Linda, and reserve your spot!

MARK YOUR CALENDARS! August 10, 2008

Though it seems as though the subzero temperatures are not tiring, and the snow is just not ready to give up, hope is in sight! Even if it doesn't feel (or look) like winter will pass it soon will and when it does you can come to the LPBC Auction without worrying about hats, scarves, mittens, boots or jackets – unless of course you are bidding on some!

We are in the process of collecting treasures for the auction. Keep your eyes open for Antiques, Collectibles, Hand-Crafted Items, and Quilts!

P.A.L.S.: There is still room!

P.A.L.S. is a splendid way to experience camp, make fond memories and lifelong friends; plus, it is a great gateway into becoming a counselor. All of this for 3 easy payments of...nothing!

We take up to 9 P.A.L.S. for each of the 4 sessions. Currently we have 3 in the first session, 6 in the second, 5 in the third, and 4 in the fourth.

SUGGESTIONS WANTED!

Please email, call, write, send a carrier pigeon, a smoke signal, or if you can yell really loudly that should work too – still, no matter the means, we are looking for suggestions regarding the Luther Park Bytes. Who better to help than you, the recipient!

Suggestions could include (but are not limited to) formatting, content, reoccurring themes/sections, suggestions on how to avoid the Bytes from being directed into spam folders...whatever it may be we are open to it. Would it be too much to suggest putting it on your resume as a volunteer service should you chose to help? I don't think so.
