

LUTHER PARK BYTES: An e-newsletter with news that MUST get out.

NURSES NEEDED: Does this include you?

Throughout the year Luther Park relies heavily on volunteers. One of our more specific volunteer opportunities (aside from your Luther Park Bytes suggestions, of course) is for registered RNs, LPNs, EMTs and, this might surprise you, we will even accept Doctors! We still have many openings; weeks 3-9 are currently available. Please contact me if you, or someone you know, has any questions. If you want to skip the questions and just volunteer we would also be okay with that.

LUTHER PARK MAINTENANCE PLAN: Update

A few Bytes ago I informed you of our maintenance plan and told you it was posted on our website. There is now an updated version of the Maintenance Plan on our website, www.lutherpark.org. Please see where and how you can help. Thanks to Our Savior's in Menomonie for quickly responding after we shot off the first Maintenance Plan flare.

WHERE IN THE WORLD: Is Mary Toufar?

Well, she sneaks around the world from Chetek to River Falls...She goes from Luther to Wartburg, Menomonie to Eau Claire, Minneapolis, to Chippewa Falls and back!

Ok, I can't get it to rhyme as well as Rockapella, but in my defense rhyming is not in my job description. The *real* update would be that she is almost done with her tour of the Midwest - and we are still in need of male counselors. You can help recruit too and, unlike Mary, you don't even have to leave your hometown!

FAMILY CAMP: August 3-8

Maybe you have been a regular of Family Camp, maybe you have 6 kids, maybe it is just you and your spouse, or maybe it is somewhere in-between - family camp is for you! Family camp is also affordable with discounts for the second adult and a family maximum. Enjoy spending time with your family and meeting other God centered families.

RECURRING NEWS: Recharge, VBS, PALS

We still have room for the Senior High Recharge, March 14-15.

Though we don't have counselors here yet I can assure you that when we do they will be more than excited to come to your church to lead a VBS. All you need to do is contact Linda here at Luther Park! Easy as that.

There is still room for more P.A.L.S. However, some of the sessions are starting to fill. Sessions 1 and 2 currently have 7 in each, with a capacity of 9. We have had four come in since the last Bytes, encourage your High Schoolers to get their applications in!

SUBSCRIBE? Or Unsubscribe?

Do you know of anyone that is missing out on receiving his or her weekly dose of the Luther Park Bytes? If so, please let me know and I will add him or her (or if you are a real go-getter, them) to the list. Of course, you will need to consult with him or her (and again, them) first...you can feel free to use a variety of persuasion techniques.

On the other end of the spectrum, maybe you are no longer in need of the Luther Park Bytes? If you would like to be taken off of the list please let me know that as well.
