

LUTHER PARK BYTES

An e-newsletter with news that **MUST get out.**

LUTHER PARK: Coming to a college near you!

We are starting to form our summer staff! This week starts the rush of recruiting. Last week I went to Winona State and today Mary is at La Crosse, but that is just the tip of the iceberg. The month of February brings many more college visits.

Currently we have 16 returning counselors that have applied (or indicated that they will be) as well as 5 new females, 1 new male, 2 junior counselor males and 2 junior counselor females!

Can you think of someone you should encourage to apply?

SUMMER REGISTRATION: Get yours in!

Just yesterday we put a registration update in the mail; you should be receiving one soon – if you haven't already. Included in the envelope is a list of campers from your church that are currently registered (please look it over and let me know of any discrepancies). Also, there is a spreadsheet of the summer programs and how many campers are currently registered for each program as well as their capacity. Oh, and how could I forget - you can get an Early Bird Discount if you register by March 31st!

Registrations received by March 31st will result in a \$15 discount for week long programs and \$5 for any one, two or three day programs.

SENIOR HIGH RECHARGE! March 14-15

Also included in the mailing is a registration form for the Senior High Recharge, feel free to make copies of it! Currently there are only 7 registered. However, a few churches have told me that they are sending in registrations, if I were to include them in the count we would have about 40 campers! Please don't wait until the last minute to get your registrations in. The theme, Mission: Possible, is the same theme as the Junior High recharges, only it is geared towards the Senior High crowd.

THE RUMORS ARE TRUE: The Explorers Canoe trip is FULL!

The Senior High canoe trip is already full! We are excited to embark on this adventure and thankful to First Lutheran, Barron for their interest in the program and their eagerness to travel the St. Croix and Namekagon Rivers with us! Maybe your church could also claim a similar program, such as the houseboat...you know, for example.

CAMP, FOR FREE! We can't even make this up!

One of our more popular programs at camp is P.A.L.S. (Partners Actively Learning and Serving). P.A.L.S. attend camp at NO CHARGE! This is a great volunteer opportunity for Senior High youth. They will enjoy all the activities of Luther Park all while helping out with the housekeeping and on our grounds. Call, write, or email to ask for an application. Applications can also be downloaded off of the website, lutherpark.org.

VBS DAY CAMP: Put your church on the list!

Bring Luther Park to your church! Luther Park counselors will come to your church and lead a VBS day camp - bringing with them a full team, complete Bible Study, t-shirts, games, crafts, skits, songs and more! There are still seven openings. Please call (715-859-2215), speak with Linda, and reserve your spot!
