The final Early Bird Discount is nearing its end! The \$15 discount for full week programs and \$5 discount for one, two, or three day programs is still in effect, however, it won't be for long. Get those registrations in! Have your registrations postmarked by March 31, 2008.

**SENIOR HIGH RECHARGE! Tomorrow!**

The final installment of "Mission: Possible" is going to be a hit, even though our camper numbers didn't go up much in the last week we did get the male counselors we needed! It will be a great, intimate, faith filled weekend – one that should rejuvenate everyone long enough to reach the summer!

**SUMMER NURSES: A Luther Park Get-a-way**

We are in the process of trying to recruit Medical Professionals to volunteer during the summer months. Luther Park needs to have an RN, LPN, MD, or EMT on staff each week. We are currently investigating if we can use First Responders, it is looking promising - we will keep you posted. This is a volunteer position, our volunteers will stay and eat for free – and can even bring their families! What a fantastic opportunity!

Is there a nurse from your congregation that would be willing to come the same week your kids are at camp?

**L.Y.L.E.: June 29 – July 2**

LYLE, Luther Park Youth Leadership Event, is being executed during the half week this summer. LYLE is a great opportunity for middle school leaders to learn new skills and share ideas through conversation with their counselors and the other campers. The program will be taking place at Luther Woods. Luther Woods is truly a place of tranquility and self discovery. I have traveled the world and yet I can honestly and wholeheartedly say that Luther Woods is one of the most wonderful places I have ever been and an airplane isn't even needed to take advantage of it. I would recommend not letting this opportunity pass through your fingers.

**DON'T FORGET: PALS and VBS**

PALS applications are still coming in. There is still room, however, if you want your first choice you should get your application in soon!

Do you have a VBS week picked out yet? We can still help you out with your VBS, call Luther Park and ask for Linda.

**MAILINGS: Keep your eyes open**

Be looking for a mailing coming your way. We are sending out a poster for you to hang up in your church to help us recruit Medical Professionals for the summer, a registration update and a few extra tidbits about the goings on at Luther Park.

**THE REGISTRAR IS...out of the office!**
