

LUTHER PARK BYTES: An e-newsletter with news that MUST get out.

EARLY BIRD DISCOUNT: This is your LAST warning!

That's it. I've had it. This is the last time I'm going to tell you. Get your registrations in if you want to receive a discount! If, by chance, you don't get them in on time – you can't say I didn't warn you! You had better take advantage of it now before it is too late. Your registrations **MUST** be postmarked by March 31, 2008 in order to receive the final Early Bird Discount. You must send a registration form along with a \$100 deposit (\$45 for day camp – unless you qualify for the Early Bird Discount then it is just \$40 for day camp). The discount is \$15.00 for week long programs and \$5.00 for one, two or three day programs.

SPEAKING OF: You snooze you lose!

I hate to use scare tactics but, let's face it, they work...If you are at all interested in sending kids to camp July 15-20th, Week 7, you had better stop hitting the snooze button! Week 7 Power of Faith currently has just 34 spaces left (with one church that anticipates filling a number of those spaces)! Week 7 Trailblazers Bridge has just 7 spaces left! The Day camp and Overnights are also filling quickly; they are each about 50% full. How fantastic to have weeks filling so fast! I am so proud of all of you.

JUST IMAGINE: A place away from it all, even the bears

You, or someone you know, can have a *free* week at Luther Park! Imagine relaxing by (or in) the pool, playing games, seeing laughing kids, enjoying quality conversation, hunting black bears, and enjoying fantastic food already prepared for you and your family. Now simply throw in dispensing meds a few times a day and you have a quality, *free* vacation!

Are you, or is someone you know, able to help volunteer for a week – or part of a week? Please contact me, becca@lutherpark.org, for more information.

ADVENTURERS AT LUTHER WOODS: God in Nature

The Adventurers at Luther Woods program is offered for two weeks during the summer, though it isn't the only time campers can enjoy the fruit of Luther Woods. Enjoy cooking your meals over a fire, partaking in Bible Study, singing, swimming in the lake, living in caves, jumping off of the raft, canoeing, fishing, hiking and playing games - all of this is experienced on "God's Time!" Luther Woods is a scheduled program without a schedule! What a great way to get away from

the world of computers and cell phones and simply be with and learn about God. Ok, I was just kidding about the caves...need to keep you on your toes.

PALS AND VBS: You haven't forgotten – neither have we!

Yes, it is true. You will keep hearing about PALS and VBS until they are each filled. We won't let it go, so you might as well help us move onto other subjects at the end of the Bytes, your job is extremely simple all you have to do is call and sign up, we'll take care of the rest from there on out! Don't believe me? Sign up and see for yourself.

PALS Session one has 7, two has 8, three has 6, and four has 4. Each can have up to 9. If you want to sign up with a friend you will need to get your applications in. Priority is given in the order that they are received.

We still have two weeks open for Vacation Bible School (VBS), we have room the weeks of June 8-13 and July 6-11. Even adult chaperones are guaranteed to enjoy singing, playing games and worshipping with the Luther Park counselors during the week!

WHAT'S GOING ON? Is there something interesting going on in your church?

Are you interested in what is happening at other churches in the area? Are you a church that wants other churches to know the happenings at your church? Maybe it is a trip to Malawi...or maybe you just want to share that you are the church with the most campers registered for camp this summer. No matter the news if you have something from your congregation that you would like to share (and I think it is interesting enough and make a large enough profit...) I will dedicate a section to it in the Luther Park Bytes. After all, Luther Park belongs to all of you!

To unsubscribe from Luther Park Bytes you can email me – but be warned, I might just post your name in the next edition.
