

LUTHER PARK BYTES: An e-newsletter with news that MUST get out.

BUSY, BUSY, BUSY: Another wonderful week at camp

This week at camp is another filled week where we had to call in the reserves! We have a number of programs running this week and a number of those programs are full or nearly full. We love running camp at this level, thanks for making it happen! Thanks also to all of our volunteer counselors!

DRUMMIN' and STRUMMIN': Sure to move you

The Senior High Drummin' and Strummin' program, scheduled for next week, is under a red alert - unless we can *drum* up a few more campers the program might not commence. We are really excited about this new program and trust that it will not disappoint. We are still taking registrations for Drummin' and Strummin'. Please call, email, or stop by if you know of anyone that might be interested.

EARTH KEEPERS: We hope to "keep"er

We are still hoping to register more for this program, which will take place in just 2 weeks. The campers that are currently registered are really excited about going and we hope to get more that are just as excited. We are still taking registrations for this program as well. Please contact me if you know of someone that is interested in registering.

Earth Keepers will be held August 3-8, 2008; the cost of the trip will be just \$250 per camper.

For more program information contact Chris Olson at: cgolson@wisc.edu or cgolson@hotmail.com. In order to register or for more information contact Becca at: becca@lutherpark.org or 715-859-2215.

CROSS GENERATIONAL DAY CAMP

A heartfelt thanks to a couple Pastors, Youth Workers, and Churches that worked on promoting our Cross Generational Program. Our numbers really went up because of their hard work. The program was a success and we hope to see it grow even more in the future. This program is a fantastic way in exposing your campers and parents to Luther Park. The Cross Generational Program is also a great way for families to experience Holy Play together. Please keep this program in mind when you are preparing registrations for next year.

REGISTRATION: Update

The summer is quickly drawing to a close, but we still have room for more registrations over the next three weeks!

Current Summer Registrations (July 21): **1010**

We only have a couple weeks left this summer to register for. We are still taking registrations for next week, July 27 - August 1. As advertised, we still have room for Earth Keepers, which is August 3 - 8 and Drummin' and Strummin', July 27 - August 1.

If you are unsure if a program you are interested in is full or not you can check our updates on the website (see below), call, or email - if it is full please call and ask about it, we might be able to get you in or put you on a waiting list.

Check the status of your program online at www.lutherpark.org. Click the tab on the left hand side that says "Registration Updates."

LUTHER PARK ANNUAL AUCTION: August 10, 2008

Sherm has been busy picking up auction items, thank you to all of those that have donated items to our Annual Auction! Just a reminder, we are still accepting donations; if you have any items, specifically antiques, collectibles, and quilts (or a mixture of the three!) please consider donating them to Luther Park's Annual Auction. We can arrange to have the item(s) picked up, please call the Luther Park office (715-859-2215) and ask for Sherm or Diana.

Also, we will need people to bid on these wonderful treasures. We will have worship, a chicken dinner and, of course, the auction. Please come and see what treasures and quilts you can find (or what treasures and quilts can find you!).

Final Bits and Bytes:

Catch up with the Luther Park Bytes online, www.lutherpark.org.
