

**LUTHER PARK BYTES: An e-newsletter with news that MUST get out.**

***Wii: What a Ride: Register Now!***

We have sent out a mailing which included information on this year's recharge, as well as a registration form. We have also sent it via email attached to the Luther Park Bytes. If, for some reason, one or both of these methods managed to miss your desk and you would like this information please contact us and we'll be sure to pass that information on as quickly as possible. Even still, everything we sent out regarding the Recharge season could also be found on the Luther Park website, [www.lutherpark.org](http://www.lutherpark.org).

With that being said, we are currently taking registrations for the 2008-09 Recharge season! We have already received registrations, including five just for the (quickly approaching) October recharge. The first recharge, October 3-4, 2008, is for 3-5<sup>th</sup> graders. You can even register online!

**VBS SUMMER 2009: Registration Information**

We have been receiving a number of questions regarding Vacation Bible School for the summer of 2009. There is a demand for Luther Park to lead VBS, and there are a limited number of weeks (10 weeks).

We will be sending a mailing in the beginning of October to all our supporting congregations, as well as all the other congregations that have booked us for VBS in the recent past. This mailing will provide you and your congregation with enough information to decide what will work for you. We will then open up the registration for VBS on **Monday, December 1, 2008**. This should give you enough time to talk to the appropriate committees before the "draft" on December 1.

**SUMMER REFLECTIONS: What the VBS supervisors had to say...**

Speaking of VBS, these are just a few comments we received from the 2009 VBS season.

*"I wish that VBS was all year long like regular school, it was so much fun!" (VBS camper)*

*"The staff was energetic, enthusiastic, cheerful, and were very organized."*

*"We were so impressed with the counselors; they were wonderful with all age groups of children and things were so well planned."*

**Final Bits and Bytes:**

Catch up with the Luther Park Bytes online, [www.lutherpark.org](http://www.lutherpark.org).
